

GRADE 9 · UNIT 2: UNDERSTANDING DIGITAL IMAGES

Design Principles for Layout: Repetition, Contrast, Proximity, Alignment & Scale

Lesson 9 of 32 · Day 3 of 3

DO NOW

Pick your weakest principle from yesterday and define it again in your own words. Redesign workshop (30 min): redesign a poorly-laid-out flyer by hand (cut, rearrange, glue, or redraw), deliberately applying at least 3 of the 5 principles. Written explanation (5 min): 2-3 sentences on your choices.
